

DIRECTOR'S NOTE

God moves through people! Looking back at 2023, we see how God used thousands of people to help our neighbors get through hard times. Connecting churches and volunteers with those in need is our passion and mission. We love seeing people being the hands and feet of Christ.

With a challenging economy, homelessness rising in Gallatin County, and resources being stretched your partnership with Love INC is needed more than ever. Thank you for stepping up and providing relief.

By your fantastic generosity with donations and volunteering, 1,644 people were served, 9,776 volunteer hours recorded, we received 3,669 communications for help, 3,146 needs were met in Gallatin County. All these numbers were from the first 6 months of 2024!

Love INC is a clear example of God moving through the local church, and you. Over 50 partner churches mobilized hundreds of volunteers to serve thousands of people. Because of your involvement with Love INC we, as a collective group of people, churches and nonprofits can minister to people as Jesus requires. This is taking the gospel message to Gallatin County.

God used you in 2023!

Blessings,
Dean Hampton
