CASE FOR LOVE INC / 2026

THE NEED

For 30 years, Gallatin County Love INC has mobilized local churches and volunteers to meet neighbors in need–offering holistic support that goes beyond a quick fix. As more community members face housing instability, job loss, and emotional distress, many fall through the cracks of traditional social services. Love INC steps into this gap through our Connection Center, 10+ free ministries, community closets, and life skills classes–building Christ-centered relationships that restore hope, dignity, and stability.

OUR IMPACT

Through our Connection Center–the heartbeat of our ministry and where transformation begins–we listen, pray, and connect individuals with help such as transportation, no-cost home repairs, essential household items, or even a donated vehicle. Every interaction is rooted in compassion, dignity, and Christ's love.

OUR HOLISTIC APPROACH INCLUDES:

CONNECTION CENTER - Serving as a communication hub for assessing needs and coordinating care

MINISTRIES - Providing essentials like furniture, clothing, cars, and personal care products

LIFE SKILLS CLASSES - Offering education in budgeting, parenting, and trauma healing

RELATIONAL SUPPORT - Partnering individuals with volunteers for long-term companionship and support

SUCCESS STORIES

"I can't tell you how much this class has meant to me. Overcoming the most significant traumas of my past has been life changing. Having the structure in place to evolve in a healthy way feels like huge progress for me. Your tender empathy and sweet nature immediately set a tone of comfort and safety. I appreciate you taking the time away from your family to be with us and to guide us through this transformation."
